

A resolution commending the role of Pregnancy Resource Centers (PRCs) in South Dakota

WHEREAS, every woman in South Dakota deserves love and support during an unexpected or challenging pregnancy; and

WHEREAS, there are ten pregnancy centers throughout South Dakota who are dedicated to providing moral support, medical services, community referrals and material assistance to meet the needs of women who have an unexpected or challenging pregnancy; and

WHEREAS, Pregnancy Resource Centers are life-affirming, non-profit organizations that provide women who have an unexpected or challenging pregnancy with alternatives to abortion; and

WHEREAS, services offered at centers across South Dakota include free pregnancy tests, ultrasounds, material support, education and information on all of their pregnancy options (parenting, adoption and abortion), STD testing, Abortion Pill Reversal services, and referrals for ongoing pregnancy and parenting needs; and

WHEREAS, the ten centers in South Dakota are among a network of over 2,700 centers nationwide offering these kinds of resources and support to women in need
